To the best of my knowledge, the above information is true and accurate. If I am selected as a Paws with Purpose puppy trainer, I agree to adhere to all the requirements of Paws with Purpose and to be responsible for the expenses incurred for the puppy's care, feeding and training during the period that the puppy is in my home and under my care. I agree to attend dog obedience training classes beginning with possession of my puppy until my puppy is scheduled for placement (at approximately 20-24 months). I agree to use only the positive training methods prescribed and instructed by PWP. I understand that if I fail to attend training classes, fail to provide adequate socialization and care, or do not submit regular progress reports to the PWP office, PWP may place the puppy in the care of another volunteer. I agree to surrender said puppy to PWP at any time upon request by PWP.
